Appendix 2: SHQS Failures, Abeyances and Exemptions

- 1.0 There are 26 Failures, 0 Abeyances and 19 Exemptions.
- 2.0 The 19 Exemptions all relate to 'Kitchen Facilities: Safe working arrangements'. A further review of these exemptions will be made to establish if any affordable, practicable improvements might be possible. Of the 26 Failures, 14 relate to 'Kitchen Facilities' and 12 relate to ESSH1 Non-compliance (All are Exempt from ESSH1 but this still means a fail for SHQS).
